

36. Spiritual Health

Leslie J Francis has taken an active interest in research connected with John Fisher's conceptualisation and measurement of spiritual health and has contributed to empirical studies that have tested and developed this model.

Books authored:

Francis, L. J., & Robbins, M. (2005). *Urban hope and spiritual health: The adolescent voice*. Peterborough: Epworth. pp viii + 280. ISBN 0-7162-0609-9.
